

2015 New patient offer

Our amazing offers start from as little as £25.00 for a new patient examination that includes radiographs, soft tissue examination, oral cancer checks, analyzing the occlusion (bite) and treatment planning, this would be a crazy 2015 offer to miss!

Recommend a friend

We are pleased to introduce our recommend a friend scheme for our private or denplan patients. Pick up a card from reception, if the new patient presents this on their first appointment, the existing patient will receive a complementary £10.00 John Lewis voucher as a thank you for their recommendation.

NEW ASH GREEN DENTAL CENTRE NEWSLETTER.

Volume 11 / Issue 1

Did you make a New Year resolution? Was yours to find a professional, friendly, and efficient dentist? Are you fed up of your smile? Or just fancy lightening and whitening your teeth? We have the ability to challenge anything you desire from facial aesthetics to fillings!

ONLINE BOOKING

As technology moves forward so do we!

Our website offers a facility for our NEW patients to book their own appointments from the comfort of their office/arm chairs, select your dentist, or choice your preferred appointment time. Our existing patients that received our emails can also do this by following the link. Please note* existing patients MUST follow the link attached to the email, and not create a new patient appointment from the website.

As some of you may be aware we are now using I pads in replacement of any paper work that needed completing at your appointment. So far these have proven to maintain a smooth running at the reception desk, and not to mention hugely reduced our paper consumptions!

WE LISTENED TO OUR PATIENTS

Due to feedback given to us by our patients we was able to identify a problem with the arranging and cancelling of appointments due to a busy phone line. If you have visited us recently you would have noticed we now have two receptionist at the desk at all times now. In addition to this we have also had a split telephone line installed to make it easier for your calls to reach us without going to an answerphone service.

Please note this is a split line NOT an additional line please continue to call us on 01474 873455.

HYGIENIST APPOINTMENTS

*WE HAVE RECOGNISED THE POPULARITY
FOR HYGIENE APPOINTMENTS AND ARE
NOW ABLE TO OFFER THEIR SERVICES
FIVE DAYS A WEEK!*

VISIT YOUR HYGIENIST

A scale and polish not only makes your teeth feel clean and fresh; it is vital to maintaining your overall oral health. Hygienists play a very important role in preventing dental problems from developing, such as gum disease, and they will also advise you on the best way to brush your teeth and what you should eat.

NEW FACES ON BOARD

You may have noticed a few new friendly faces around the practice! We have introduced Dawn Cameron GDC no: 180704 , Tracy Khan GDC no:249625, and Madalane Pinder GDC no: 246517 our new experienced and qualified dental assistants on board of our existing team.

We are pleased to introduce Rebecca Andrew GDC no:6363 our fourth hygienist who joined us to cover a Friday surgery.

We are also delighted to wish Andrea Powell a warm return, our Wednesday hygienist after spending quality time off with son Finlay on maternity leave.

Joanna Slatter- Kate Winstone's dental assistant of 7 years left to enjoy her first child, a lovely little girl named Florence. Congratulations! We look forward to meeting her.

COSMETIC DENTISTRY

Spring and summer bring lots of social occasions such as weddings, holidays and parties. While these bring laughter and fun for most of us, they can be daunting for those less confident in their smiles.

Dr Heidari is our specialist in cosmetic dentistry, Thomas won Kent, Surrey and Sussex Vocational Training Deanery Award for best smile transformation, and since then has gone on to complete hundreds smile makeovers many involving multiple areas of expertise such as cosmetic orthodontics, bonding, implants, gum surgery, veneers, crowns and bridges.
