

New Ash Green Dental Centre news

Issue 5 autumn
/winter 2016 edition

We were pleased to participate in the Denplan Big Brush up! We filled our waiting room with Denplan free goodies, and gave away free Disney brushing charts to encourage the little people to brush hard and be rewarded with a certificate on completion! In exchange for a cheesy smile for our facebook page. Please visit our fb page to read our reviews and view our current offers <http://facebook/na>

Welcome to our autumn/ winter edition newsletter. As we say goodbye to a kind summer and make way to welcome, log fires, cozy jumpers and hearty stews!

"Some seasonal habits may change, but your oral health shouldn't be one of them!"

Remember to brush twice a day and floss daily. Mouthwashes are recommended to be used at an alternate time to brushing with your regular toothpaste. Visit your dentist every 6 months and see the hygienist in between as recommended by your dentist.

Direct access

You can now see a hygienist without needing consent from, a dentist.

You can choose the hygienist you feel most comfortable with. At New Ash Green Dental Centre we have four dental hygienists that are ready for direct access. Sarah Stephanie, Andrea and Rebecca are all happy to see you. They will clean and polish your teeth and help you return your mouth to sparkling health.

Dietary advice will be given and you will be shown which toothbrush is right for YOU. We have a whole range of mouthwashes and interdental brushes that are available to make sure you are comfortable with your new routine.

Departure of our Nicky

WITH MUCH SADNESS WE SAID FAREWELL TO NICOLA ONE OF THE OLDEST MEMBERS OF THE DENTAL TEAM. NICOLA HAS GONE ON TO WORK ASIDE HER HUSBANDS EVER EXPANDING BUSINESS, WE WISH YOU ALL THE LUCK IN THE FUTURE.

Help Jack

Many of our patient's that live local would have heard of Jack the 12 year old Boy from Hartley who was fighting a rare form of cancer for the second time. Jack was flown to America mid-September to start a course of treatment. We would like to thank all our patients and staff for the huge generosity in donating towards Help Jack. The proceeds raised by the practice totalled £ 335.23 this was kindly matched by Huw and Kate Winstone giving a total of £671.23

BDA Best Practice

We are delighted to announce after our recent inspection we have preserved our good practice award for the 5th year!

Well done to Val Hemsley our practice manager for overseeing the smooth transition into another year and to the staff for their continuous hard work in maintaining this award.
