

AUTUMN WINTER EDITION

Welcome to the autumn /winter edition of our practice newsletter. We aim to keep you informed of changes within the practice, relevant news and of course our recent offers!! As we all start to feel a nip in the temperature AND in our wallets as we start to prepare for Christmas, have you ever considered giving someone the perfect smile as a gift? Whitening, Invisalign, crowns or even just an

examination could be the perfect gesture this Christmas leading towards that perfect smile!! Talk to your receptionist or dentist today, gift vouchers are available!

ENLIGHTEN WHITENING CENTRE!

We are pleased to introduce ourselves as a recognized whitening Centre of excellence!

We have worked hard and undergone a lot of practice training as a team to enable us to provide our patients with a premium whitening service that we truly believe in!

Enlighten are so confident in their product they are providing a money back guarantee if a shade B1 is not achieved within the final results. Talk to your dentist or receptionist today and **look out for our free shade analysis coming very soon in addition to our 50% extra whitening gels offer!!!!**

ENLIGHTEN®
enlightensmiles.com

November we saw the practice staff take part in mouth cancer action month. We showed our awareness by sporting our blue ribbon appeal

Badges and staff members took part in blue lip selfie's! To see more of the staff photographs please visit our facebook page

<http://newashgreendentalcentre/facebook> or our website nagdentalcentre.com.

Your Dentist will always do an oral cancer screening as part of your 6 monthly examination to detect early stages of mouth cancer. The signs and symptoms not to be ignored are Ulcers which do not heal within three weeks. Red and white patches in the mouth. Unusual lumps or swelling in the mouth, head or neck area.

"If in doubt get it checked"

New Ash Green Dental Centre would like to take this opportunity to make all parents/ careers aware of the importance that children under the age of 1 years old should be registered with an NHS dentist and be recalled every 6 months.

This is to prevent future intervention of fillings, extractions and any other treatment that a child who is not always compliant may need to endure that could cause vast distress to all of those involved.

To book an NHS appointment for your child please ask the receptionist to register your details. We also have availability for adults receiving NHS exemptions entitling them to NHS treatment.

Staff news

Sally, Paul Maddison Robert's nurse completed her toughest marathon yet at beachy head raising money for cystic fibrosis, amount to be confirmed, but thank you to those patients that contributed.

We will be saying goodbye to Nicole who join us only recently to cover maternity leave as she starts her own maternity leave in January!

We say a huge welcome back to Maddy who returns to the surgery in January after some time off with her newest addition Lucas!
